Image Description: A grid of 9 photos of different crows.

Crow Image 1: A small crow is perched on the sidewalk, looking directly at the camera with an angry expression.

Crow Image 2: A crow riding on the back of an in-flight eagle with its wings spread.

Crow Image 3: A crow standing in the grass, with one leg up. It looks as if it is walking sassily.

Crow Image 4: A fluffy baby crow looking directly at the camera.

Crow Image 5: A large crow looking up at the sky. The crow's body looks like a big blob.

Crow Image 6: A crow is looking down at the ledge it is perched on, with the ocean in the background. The lighting makes the crow look like a black silhouette without any visibly distinct feathers or eyes.

Crow Image 7: A crow standing on the concrete, holding a knife in its mouth. It has a red tracker on one of its claws.

Crow Image 8: A crow standing on the ground and eating a dropped hamburger.

Crow Image 9: A crow standing on a branch, looking directly at the camera with its beak wide open, as if it were yelling.
