

"Everyone is entitled to their own **opinions**, but not their own **facts**."

the first category of opinions Professor Stokes talks about (e.g., "preferences or tastes")

A portrait of Daniel Patrick Moynihan, an older man with white hair, wearing a dark suit and a dark hat, smiling and holding the hat with his right hand.

Daniel Patrick Moynihan
American sociologist and
US Senator
(1927-2003)

the second category of opinions Professor Stokes talks about (e.g., "views [that should be] grounded in technical expertise.")
