PSY 225 (Professor Gernsbacher): How To Use Citation Machine

1) Go to http://www.citationmachine.net/apa/cite-a-journal

Citation Machine™
a Chegg® service

NEW   My Papers   Popular Styles   Title Page   Plagiarism Checker   Writing Resources   Contact Us

2) Make sure "APA" is selected for the style of the citation.

APA   MLA   Chicago   More +

3) Make sure "Journal" is selected if you are creating a citation for a journal article.

Book   Magazine   Newspaper   Website   **Journal**   Film   Other

NEW   **Make sure your paper is error-free!**
Good job citing! Now get peace of mind. Scan your paper for grammar mistakes and catch unintentional plagiarism.

Try it now!

4) Select "Auto-fill Mode."

Auto-fill mode   Manual entry mode

5) Copy/paste or type in the Title of the journal article (e.g., "Nature and nurture in novelty seeking").

"Nature and nurture in novelty seeking"

Search Journal Articles

6) Click "Search Journal Articles."

7) You will now see a list of possible journal articles. Scroll down until you find the entry that matches the journal article you are citing. Once you find the entry that matches the journal article you are citing, click "Select."

Nature and nurture in novelty seeking
L Keltikangas-Järvinen-K Räikkönen-J Ekelund-L Peltonen - Molecular Psychiatry - 2003

Select

Are Hypodopaminergic Genotypes a Biological Marker of Novelty Seeking?
Bradley Conner-Gerhard Hellemann-Terry Ritchie-Ernest Noble - PsycEXTRA Dataset - 2009

Select

Psychobiology of novelty seeking and drug seeking behavior
M.t. Bardo-R.l. Donohew-N.g. Harrington - Behavioural Brain Research - 1996

Select

Sensation Seeking and Novelty Seeking
William Mccourt-Ronald Gurrera-Henry Cutter - The Journal of Nervous and Mental Disease - 1993

Select

Novelty Seeking: Exploring the Role of Variety Seeking Behavior in Digital Piracy
Sanjeev Sahni-Indranath Gupta - Piracy in the Digital Era - 2019

Select

Novelty-Seeking in Rats-Biobehavioral Characteristics and Possible Relationship with the Sensation-Seeking Trait in Man
F. Dellu-P.v. Piazza-W. Mayo-M. Moal-H. Simon - Neuropsychobiology - 1996

Select

8) Check to make sure that the Journal Title, Publication Year, and Article Title of the entry you selected match the journal article you want to cite. If these citation details are NOT correct, go back to the previous list that Citation Machine generated for you and select a different entry.

Here's what we found!

We found citation data for

- Journal Title   Molecular Psychiatry
- Publication Year   2003
- Publication Month   10
- Publication Day   21
- Article Title   Nature and nurture in novelty seeking

We may not have all the information we need to create the citation. Please use the next page to fill in any empty fields.

[Final Step]

9) If the Journal Title, Publication Year, and Article Title of the entry you selected match the journal article you want to cite click "Final Step."
   Next, you will be able to adjust any of the details that are not correct. See the next page of this handout.

Generate American Psychological Association 6th edition citations for Journal Articles

In print	Online	**Online database**
