Personalities by Cover Count

At his current rate, Obama could surpass 150 covers by the end of his presidency.

Highest number of covers for a non-Person of the Year.

Most covers for a female.
Most covers for a non-president.

Most covers for a non-American.

Most covers for a vice president.

Covers must include an image (photograph or illustration) of the person that is easily discernible. Covers including more than ten people are not included unless the image of the person is notably prominent. Teaser images are not included in the count.
